- Dress in a manner that is appropriate to their role.
- Do not dress in a way that would cause embarrassment to pupils, parents, or colleagues
- Jewellery should not be ostentatious.

## **Professional behaviour and conduct**

Staff members are expected to treat other colleagues, pupils, parents, and external contacts with dignity and respect.

Discrimination, bullying, harassment or intimidation, including physical and verbal abuse, will not be tolerated.

Staff members must not misuse or misrepresent their position, qualifications or experience or bring Simply Sensory into disrepute.

Staff members must inform Simply Sensory if they are subject to a criminal conviction, caution, ban, police enquiry, investigation or pending prosecution.

## **Safeguarding children**

Our expectations are for staff members to:

- Act in an open and transparent way that would not lead to any suspicion about their actions or intent.
- Respect their duty to protect children and young people from harm and to maintain professional boundaries.
- Read and understand Simply Sensory policies on child protection and safeguarding, including their obligations to undertake a Disclosure and Barring Service (DBS) check.

## **Declaration of interests**

Staff members are required to declare their interests where the group or organisation would be considered to be in conflict with the ethos of Simply Sensory. Membership to a trade union would not need to be declared.

Staff members should also carefully consider whether they need to declare their relationship with any individual where this might cause a conflict with Simply Sensory activities.

Failure to make a relevant declaration of interests is a very serious breach of trust and, therefore, if employees are in doubt about a declaration, they are advised to contact Simply Sensory or trade union. All declarations should be submitted in writing to Simply Sensory Management and a record will be kept and must be updated at least annually or when there is a change to a member of staff circumstances.

## **Probity of records**

The deliberate falsification of documents is not acceptable. Where a staff member falsifies records or other documents, including those held electronically, this will be regarded as a serious disciplinary matter and potentially a criminal offence.

Where a staff member has claimed any benefit, either directly or indirectly, or has failed to disclose their full earnings, this will be treated as gross misconduct and the employee may be dismissed and referred to the police.

## **Financial inducements**

Staff members must familiarise themselves and comply with the Simply Sensory's financial regulations. Declare to the Simply Sensory Management in writing, any gifts received, with the exception of:

- Low cost, functional items suitable for business rather than personal use and displaying the supplier's logo. These items may be accepted.
- Gifts offered by parents or pupils to staff to express their gratitude, but staff members should always refuse gifts of money.
- Hospitality in the shape of meals and drinks where it forms part of a normal business meeting, but offers to specific events should only be accepted after authorisation from the Simply Sensory Management.
- Authorised visits by employees to exhibitions, demonstrations, conferences, business meals and social functions in connection with Simply Sensory's business, which shall be at the Simply Sensory's expense.

- Not accept a personal gift, payment, or other incentive, from a business contact, which should be returned.
- Declare any gift that cannot be returned, Simply Sensory will decide how it will be used.

The taking of illegal drugs or alcohol during working hours is unacceptable and will not be tolerated. Staff members are expected to attend work without being under the influence of alcohol or illegal drugs. If alcohol or drug usage impacts on a staff member's performance, Simply Sensory has the right to discuss the matter with the employee and take appropriate action, including referral to the police.

### **Place of Business premises, equipment and communication**

Simply Sensory equipment and systems are available only for business-related activities and should not be used for the fulfilment of another job or for personal use, unless specifically authorised by the Simply Sensory Management. Illegal, inappropriate or unacceptable use of equipment or communication systems may result in disciplinary action and, in serious cases, could lead to an employee's dismissal.

Employees receiving inappropriate communication or material or who are unsure about whether something he / she proposes to do might breach this Policy, should seek advice from Simply Sensory Management.

Simply Sensory reserves the right to monitor emails, phone calls, internet activity or document production, principally in order to avoid offensive or nuisance material and to protect systems from viruses, but also to ensure proper and effective use of systems.

Communication systems may be accessed when Simply Sensory suspects that the employee has been misusing systems or facilities, or for the investigation of suspected fraud or other irregularity.

Passwords should not be shared and access to computer systems must be kept confidential except on the express request of the Simply Sensory Management. Breach of this confidentiality may be subject to disciplinary action.

Employees must act in the best interests of Simply Sensory and not disclose personal data or information about any individual, including staff members, children and young people.

Staff members should not 'friend' pupils on social networking websites.

Access may be withdrawn and disciplinary action taken if there is a breach of confidentiality or defamatory remarks are made against any individual at Simply Sensory.

discriminatory and replacing them with practices that are fair to all

- Monitoring, and reviewing all the above to secure continuous improvement in all that we do

### **Safeguarding**

- Protect our children from maltreatment
- Prevent impairment of our children's health or development
- Ensure that our children are growing up in circumstances consistent with the provision of safe and effective care
- Undertake that role so as to enable our children and young people to have optimum life chances and enter adulthood successfully.

Safeguarding is not just about protecting children from deliberate harm. It is a preventative agenda that helps children and young people achieve their full potential, regardless of negative factors such as poverty or social exclusion, by providing services and support to overcome barriers to achievement.

It also includes issues relating to:

- Health and safety
- Bullying
- Racist abuse
- Harassment and discrimination use of physical intervention
- Meeting the needs of children and young people with medical needs
- Providing first aid
- Drug and substance misuse educational visits
- Internet safety
